

Spectra

Examination Light

Advanced Surgical Light Technology in an Exam Light

Built to withstand the rigors of the busiest Emergency Departments, Critical Care Units, Labor and Delivery, Clinics, Imaging, and more!

Reduced Shadows and Crisp Illumination

Spectra's seven LEDs use a Vertically Segmented Reflector Design (VSRD) to allow optimal shadow control. In addition to the brilliant spot, caregivers will enjoy the flexible positioning and drift-free stability.

Spectra Details:

- 51,000 lux at 1 meter
- Color temperature 4300°K
- Cool, color-correct light provides CRI of 96
- Optional sterilizable handle
- LED life 40,000 hours
- LED technology provides brilliant white light with no bulbs to change
